Introduction:-

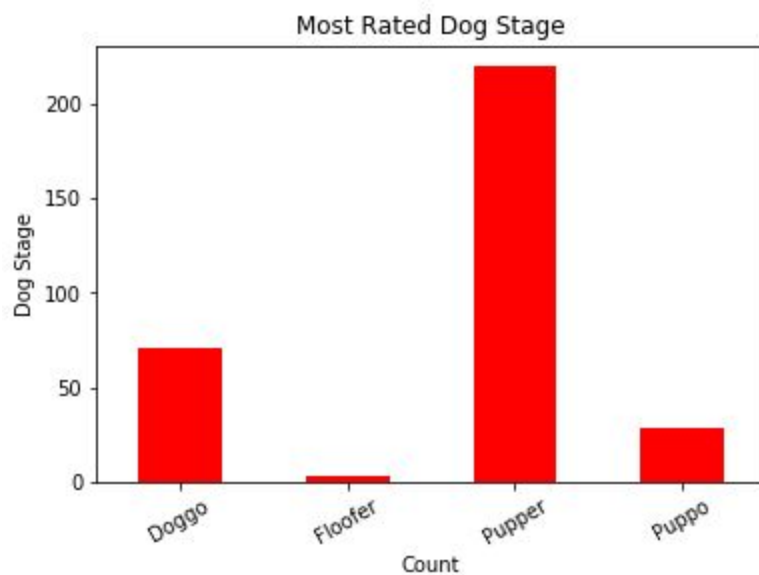

This analysis is of tweets from the WeRateDogs twitter account. My analysis revolved around the trend in popularity over time of the account, based off of the number of retweets and favorites, and analysis of the rating scores over time.

Analysis:-

In my Analysis, I tried to find out which dog type was most rated. I found that 'golden retriever', followed by 'Labrador retriever' and 'Pembroke' were among the highest rated ones. Dog with atleast 25 ratings has been plotted below:-

Similarly, I tried to know about the dog stages and found out that 'Pupper' was the most rated one:-
